

# **KPM216HIII ETH**

## A4 document printer

- New latest generation processor
- New printing head with higher printing quality
- Speed > of 200mm/sec
- Illuminated paper bezel (standard equipment)
- Easy switch from horizontal to vertical setting
- Retracting, roll holding or fan fold in vertical position: the printer has a thickness of only 8cm!
- RS232+USB+Ethernet on board: 3 communication interfaces (standard equipment)
- Updates from remote thanks to Ethernet interface
- All international fonts on board
- 1D and 2D printing
- PrinterSet software: a tool for a complete, easy and quick management of your printer
- CPT software: CustomPowerTool for the personalization of your tickets/receipts
- Dot-saving function

#### **CHARACTERISTICS**

- High print quality (300 DPI)
- Full featured loop presenter which avoids paper jams clearing the paper outlet through retracting the uncollected printout or through retracting it inside the kiosk for protecting the privacy of the user
- Adjustable paper-infeed
- Dot Damage Prevention: this function prevents the dots subject to stress caused by special printouts, like graphics and tables, from wearing out
- 100% hardware compatibility with previous Ethernet version

#### APPLICATIONS:

- Form and document kiosks
- Banking machines
- Insurance self service
- Information kiosks
- Multimedia and Internet kiosks
- Human resource kiosks
- Boarding passes
- E-ticketing

#### SOFTWARE:

**PrinterSet SOFTWARE**: to update logos, edit characters, set operating parameters and update the printer firmware. It allows you to create a file including the different SW customizations and send them to the printer via the interface provided, for easy and fast setting.

- Automatic e-mail sending for service purposes
- Logo and font remote update
- Drivers available in the printer flash disk
- Dll status monitor
- Auto-installing drivers for WinXP, Vista, 7, 8, 8.1, 10 (32-64 bit support)
- Linux Drivers (C.U.P.S.) 32/64 bit compatible
- EthLocator SW to search for printers connected to the network and configure their parameters
- CPT software: CustomPowerTool for the personalization of your tickets/receipts

#### **AVAILABLE VERSIONS:**

- Serial+USB+Ethernet 200 DPI 24V
- Serial+USB+Ethernet 300 DPI 24V
